

Low voltage tracklight

Brep VLMR007/5W

Lighting fixture for Low voltage track installation. Housing made by CNC in aluminum with highly pure powder coating. Available in white (RAL 9003) and black (RAL 9005). It mounts COB led. Lens available with 3 different beam angles that can be easily and manually be replaced without using any tool. The led driver is included and integrated into the canopy. Fixing system by base that need to be fixed to the ceiling by screws. The lumen output is based on 3000K (CRI80) led.

Product information

Installation:	On Track
Material:	Aluminum
Painting:	Highly pure powder coating
System power (W):	5W
Fixture lumen output (lm):	400
System efficiency (lm/W):	80
Power supply:	Included

Ø63 1500 max. 139*63

Light source information

Led Type:	COB
Led power consumption (W):	5W

Led lumen output (CRI80):	650
Led efficiency (lm/W):	130
LED Power:	10W

Packaging

Net weight (kg):	0.3
Gross weight multiple packaging (kg):	7
Dimesions multiple packaging (mm):	420x280x280
Products quantity multiple packaging:	40

Code composition
